Note: If you want to stay in another hotel, or the recommended hotels are already overbooked, or if you have a private accommodation option, you are, of course, completely free to use it. However, we recommend booking accommodation in the same district to avoid long journeys to the venue.

The participants themselves will pay for accommodations, breakfast, etc. Means: Participants themselves must bear the costs for accommodation costs, mini-bar consumption, restaurant bills, drinks bills, etc. We recommend having a credit card with you for this case.
